is coming back to troy!

we are looking for:

& caring volunteers

TBR is a bicycle recycling collective founded in 2001
We collect, repair, recycle, and redistribute bikes in
the capital region. We also build monster bikes, pedal
powered machines, and other bikely things.

Right now, the hub of TBR activity is in Albany, but
over the next year, we hope to have 2 shops up and
running - in both Albany and Troy. You can help!

COME to a Meeting of the
Minds to learn more about
getting involved.
